Provision of Homecare Services in Somerset

We are continuing to engage with some of the key stakeholders. Over the past two months we have held five market engagement events to talk with a range of providers who might be interested in the future model and aspects of the provision of Care and Support at Home. We wrote to you about these events in April 2015.

In September we will hold 4 events across the County for people who currently use Care and Support at Home services, so that we can share ideas and experience and find out the things that are important to people.

We are writing to 400 people to invite them to meet with us or complete a survey. They have been randomly selected out of the current 2543 people (as at 31st May 2015) who are using the service.

The dates set for the meetings are:

16 th September	Ruishton Village Hall	2.00pm to 4.00pm
17 th September	Burnham on Sea Princess Theatre	10.30am to 12.30pm
22 nd September	Nunney, Village Hall	10.30am to 12.30pm
23 rd September	Washford Village Hall	10.30am to 12.30pm
24 th September	Yeovil Rugby Club Dorchester Rd	10.30am to 12.30pm
