Childcare Sufficiency Assessment 2021 Childcare in Somerset – Early Years Community Profiles 2021

The documents 'Childcare Sufficiency Assessment 2021' and 'Childcare in Somerset – Early Years Community Profiles 2021' have been published on the SCC website. The documents give an overview of the childcare market across Somerset in the year up until September 2021 and includes the continuing effect of the COVID 19 pandemic on the Early Years sector and the support offered by Somerset County Council to childcare providers and parents requiring childcare during this time.

The documents can be found using the link:
